

The MBTA is partnering with GreenRoots to host a public meeting on the MBTA's upcoming new fare collection system.

Making the T better begins with **you.**

Come share your thoughts on the future of MBTA fare collection.

We're working hard to make the T better, more efficient, and easier for you. And a new fare collection system is just one of the many new initiatives we're putting in place to help move us into the future. With this new system, how you pay for the T will be improved upon and updated, and it's important your voice and opinions are heard.
