

Existing Bridge

Proposed Bridge

# Wellesley Bacon Street Bridge Virtual Public Meeting

**DATE:**

**Wednesday,  
June 3, 2020  
from 6:00 p.m.  
to 7:30 p.m.**

**LOCATION:**

**Virtual Public  
Meeting  
(Zoom meeting)**

**EVENT:**

**Project design  
and construction  
update**

The Bacon Street bridge carries Commuter Rail service for the Framingham/Worcester Line over Bacon Street in Wellesley, between Natick Center and Wellesley Square near Morses Pond. The existing bridge, built in 1911, is being replaced to improve its safety and reliability as a part of the MBTA's Building a Better T efforts.

During this virtual meeting the MBTA Capital Delivery Department and its Design-Build Team will present a design and construction update on replacement of the bridge. Following the presentation, the team will be available to take feedback and answer any questions.

For details on how to join and participate in the meeting and to sign up for email updates, please visit the project website at [www.MBTA.com/BaconStBridge](http://www.MBTA.com/BaconStBridge)

For inquiries and comments related to the project, please send us an email at [BaconStBridge@MBTA.com](mailto:BaconStBridge@MBTA.com) or call our 24-hour hotline at 617-571-7878

Building a better T.
