GLX Professional Services Contract Amendment

Fiscal and Management Control Board

February 22, 2021

John Dalton, Program Manager

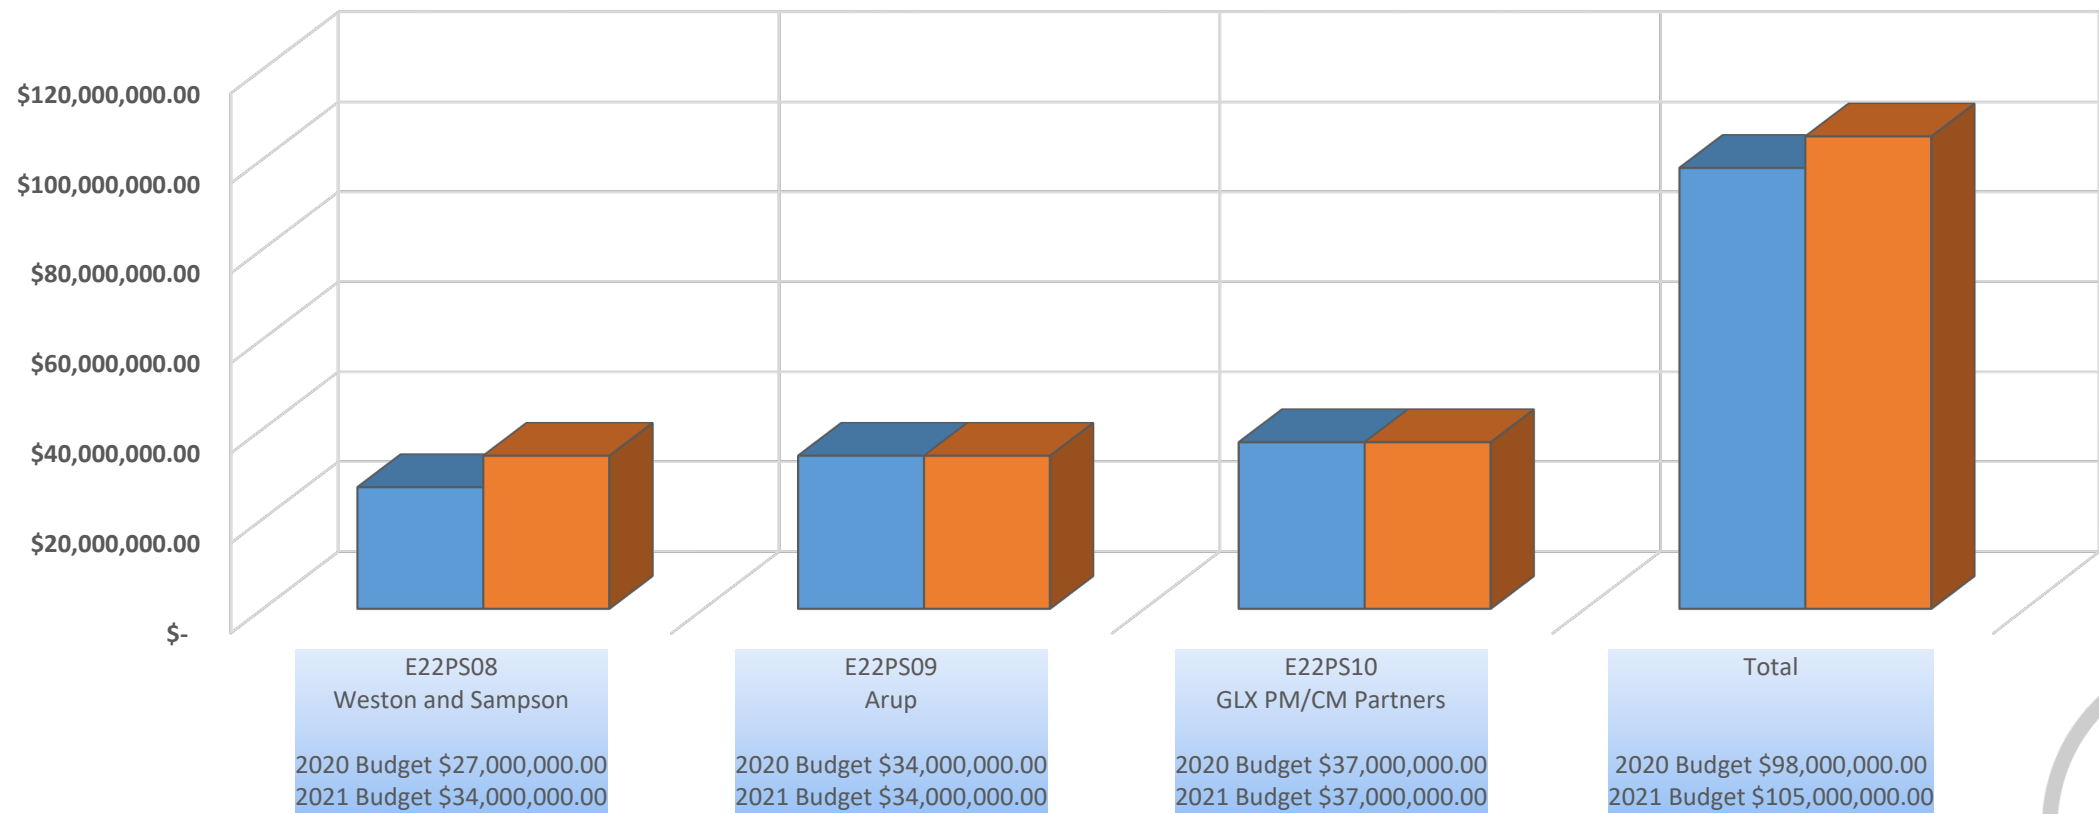

Professional Service Budget Reallocation

- Three professional service contracts were procured in 2017 to support GLX implementation.
- Seeking approval to increase one of these three contracts (Weston & Sampson) to provide continued program delivery and MBTA staff augmentation support
- Increase represents a 1.4% increase to the overall GLX staffing budget
- Funding of this change order is within the overall program budget of \$2.3 billion

GLX Professional Services Budget Adjustment

GLX Professional Services 2021 Budget Update

Request of the Fiscal and Management Control Board

VOTED: That the General Manager, or his designee, be, and hereby is, authorized to execute, in the name of and on behalf of the Massachusetts Bay Transportation Authority (“MBTA”), and in a form approved by the General Counsel, an amendment to MBTA Contract No. E22PS08 for certain professional services, including project management support, project controls, environmental support, real estate coordination, administration support, and milestone closeout, provided by Weston & Sampson Engineers, Inc. in support of the Green Line Extension Project, in an amount not to exceed \$7,000,000.
