

Week in Review and Lookahead

Friday, February 12, 2021

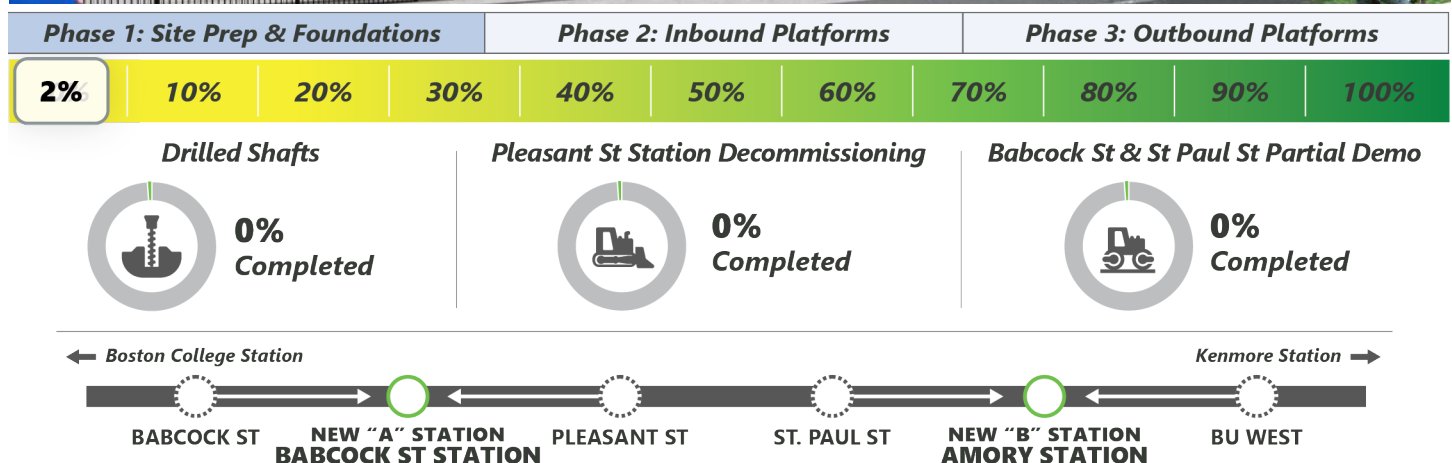

Throughout February, GLT is celebrating **Black History Month** with stories from our team. **This week, learn more about Tamieka Thibodeaux, GLT Senior Director**, who started her career at the MBTA as a Streetcar Motorperson! We are featuring [her story](#), in her own words, about her journey from growing up in Allston and frequently riding the Green Line, to today as she is helping to shape the Green Line for future generations! At GLT, we celebrate Tamieka's achievements, her contributions, and her dedication to the T.

Dream.

GLT Sr. Director

B Branch Station Consolidation

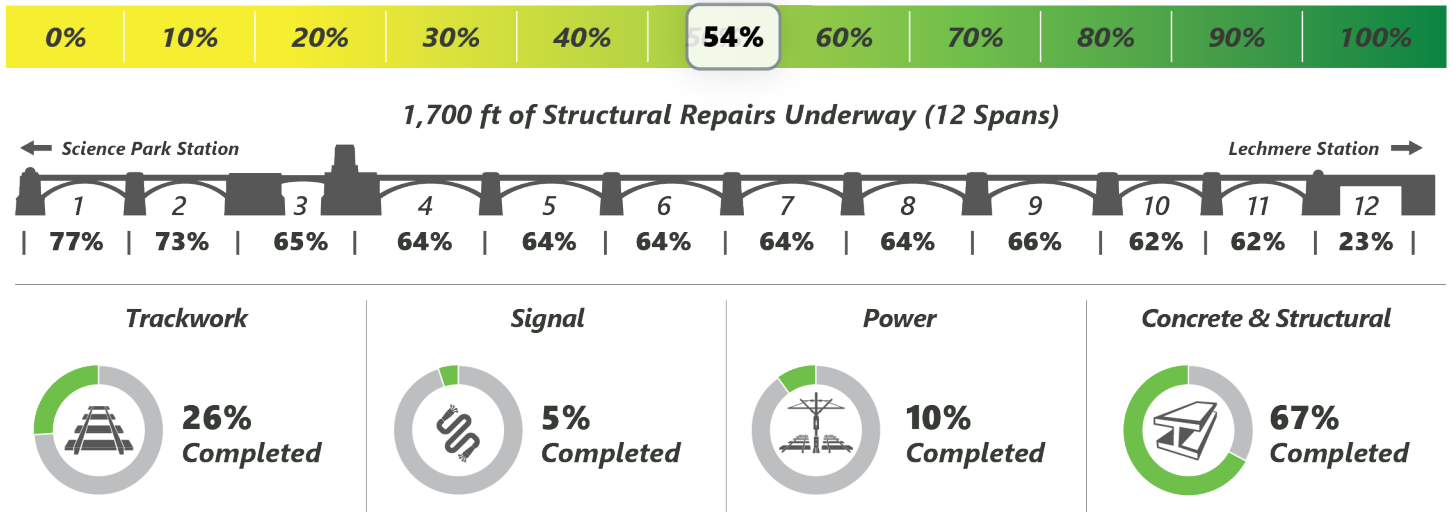

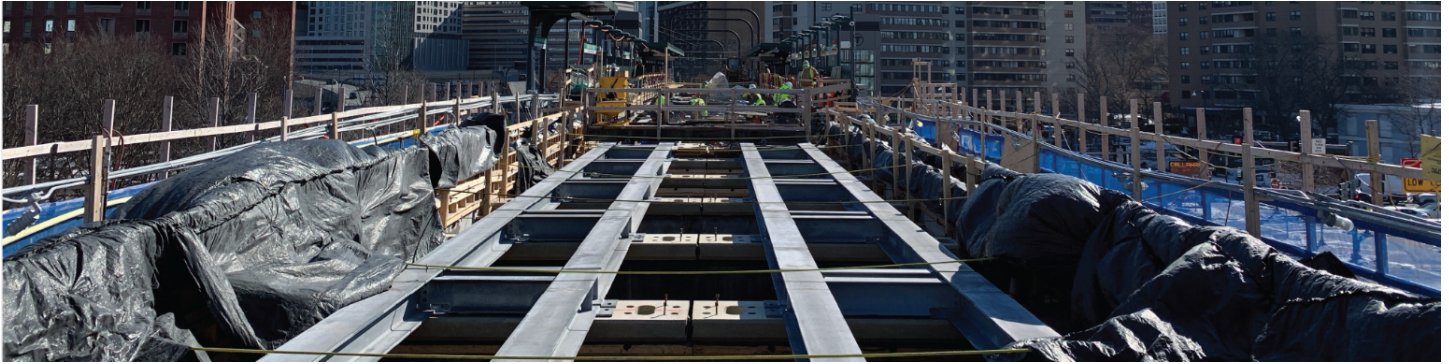

Consolidate four (4) existing Green Line stations on the B Branch along Commonwealth Avenue adjacent to Boston University, into two (2), fully accessible, brand new stations (Babcock & Amory)

- Next Week** | Starting Monday evening February 15, construction crews will begin drilling shafts for the foundation of the new Amory St. Station between St Paul and BU West. At the end of February, Pleasant Street Station will be decommissioned, as the new station (Babcock) footprint overlaps the old station

**Schedule subject to change with weather conditions and in accordance with public health directives*

Lechmere Viaduct Rehabilitation Project

Strengthen and preserve the 110-year-old viaduct for heavier loads and increased train frequency

- ✓ **Last Week ‡** | Continued forming and pouring walkway support (on either side of the tracks), and installed steel beams to support new tracks (timber ties and rail)
- **Next Week** | Complete forming and pouring the FRP Walkway support, complete CWRP wrap installations on floor beams and arches, and complete installing pre-cast floor beam caps and structural steel stringers.

**Schedule subject to change with weather conditions and in accordance with public health directives*

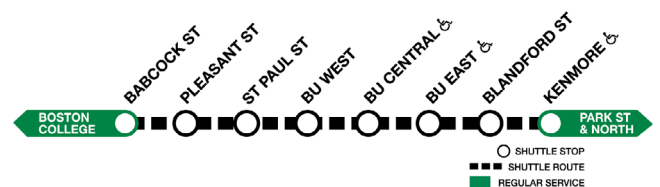

‡Overall project percentage error in last week's update corrected
