

Massachusetts Bay Transportation Authority

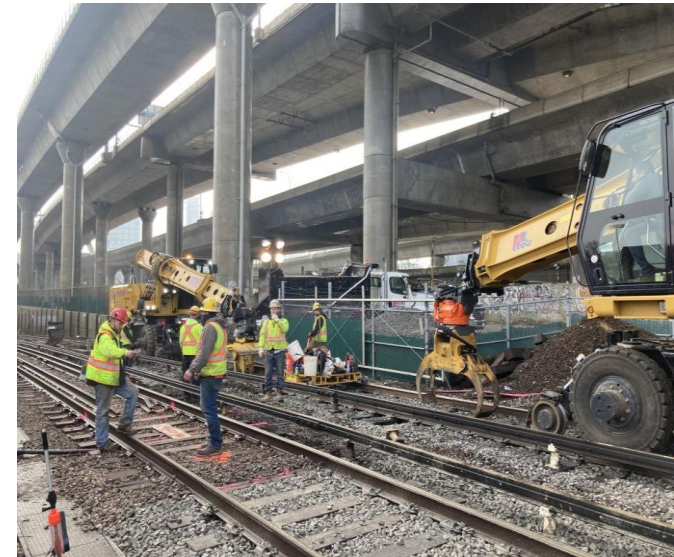

MBTA Construction Contract No. T30CN01
On-Call Track/ROW III – Construction Services
Construction Contract Award

MBTA Board of Directors

Christopher Costello, PM Capital Delivery

December 16, 2021

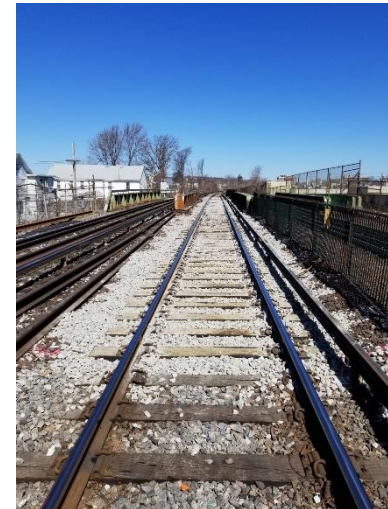

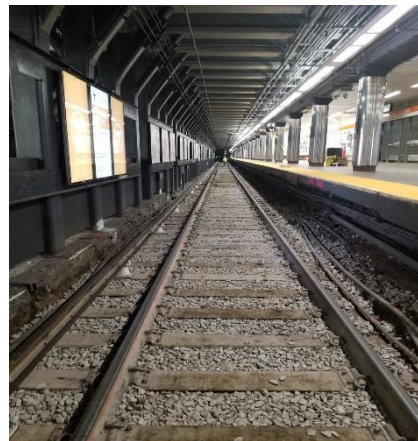

Work consists of providing construction-related services on an on-call basis to support emergency, urgent and routine repair/reconstruction needs of the Authority. Work is anticipated to be performed throughout the Authority's service area and will primarily consist of repair/reconstruction of both Light Rail (GL) and Heavy Rail (RL, OL & BL) portions of the MBTA system

Project Benefits

Description	Quantity	Unit	Total Price
Full Depth Track Replacement, Heavy Rail – RL, OL & BL	4,600 LF	LF	\$6.14M
Direct Fixation – Red Line (Floating Slab) Full Panel Repair	50 EA	EA	\$9.70M
Spot Tie Replacement, Heavy Rail – RL, OL & BL	21,000	EA	\$21.40M

- These repairs will establish a “State of Good Repair” across the MBTA system
- These planned track improvements and enhancements will greatly improve safety, system reliability and customer satisfaction

- Bid Opening was November 30, 2021
- Five (5) Bids were received:

Rank	Bidder Name	Bid Total
