

Green Line Transformation

Construction Project Updates

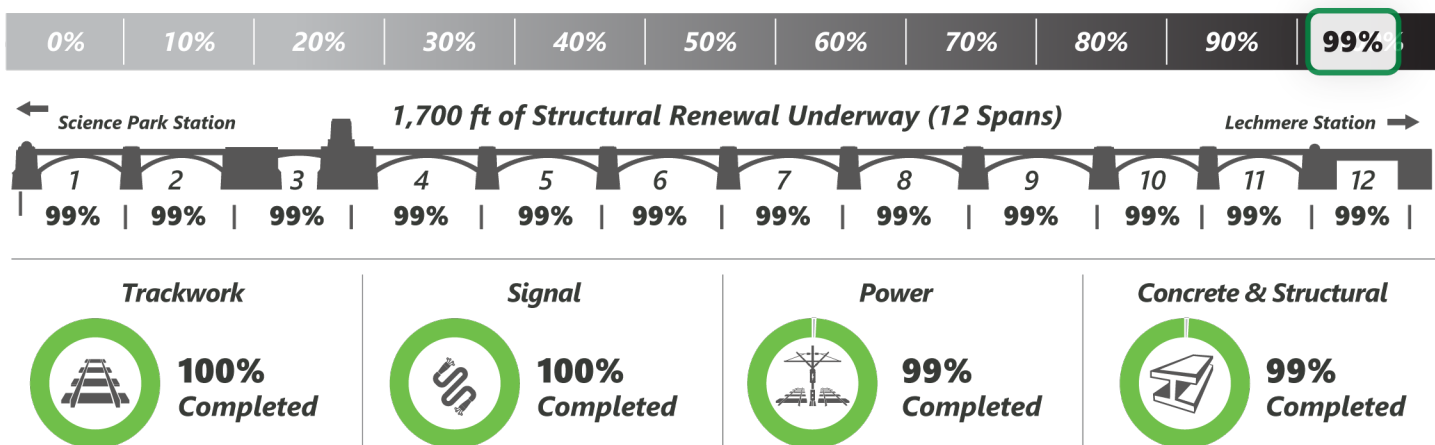

Week in Review and Lookahead

Friday, February 11, 2022

After another weekend storm, work continues on the [Lechmere Viaduct Rehabilitation](#) Project under the [Green Line Transformation \(GLT\) Program](#). Learn more below.

Lechmere Viaduct Rehabilitation

[Lechmere Viaduct Rehabilitation Project](#): Strengthen and preserve the 110-year-old viaduct to sustain heavier loads & increased capacity

- ✓ **This Week** | Commenced electrical work for emergency access structure at Pier 12 – all work under flag protection during testing phase of GLX Outage
- **Lookahead** | Electrical work for Emergency Access structure at Pier 12 will continue in coordination with train testing for GLX
