

# Red Line Transformation

## Construction Project Updates

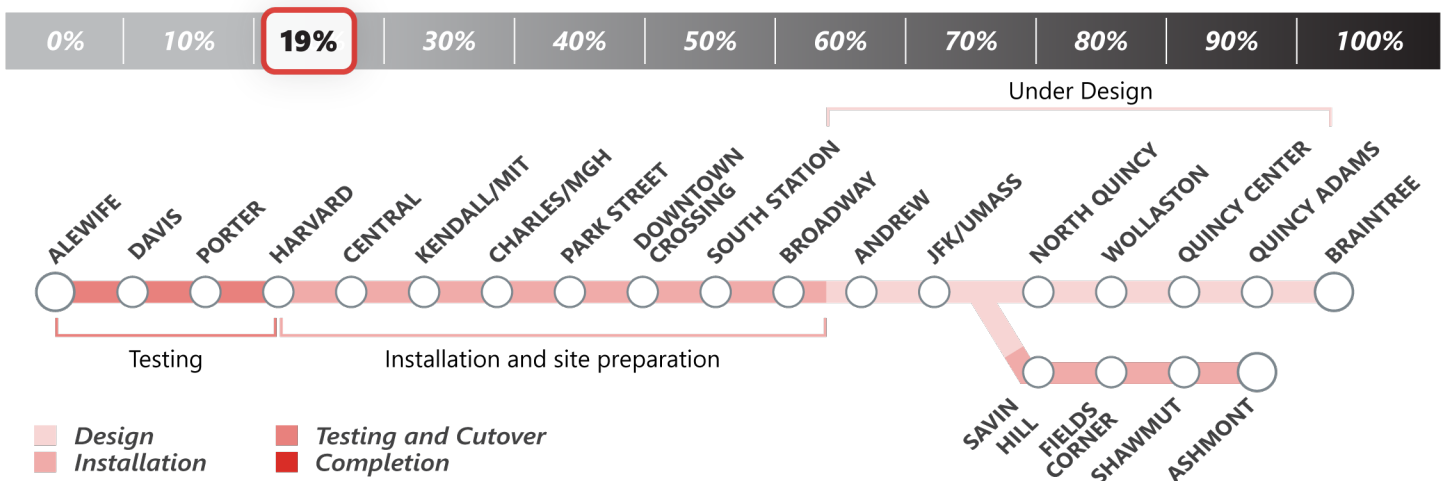

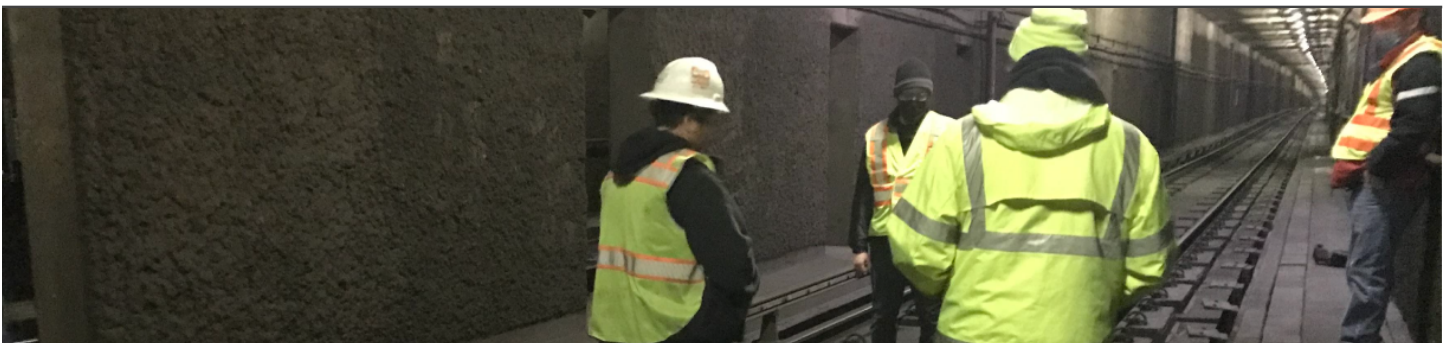

## Week in Review and Lookahead

Friday, February 11, 2022

After another weekend storm, work continues on the Cabot Yard and Maintenance Facility and our Signal Upgrades Project under the [Red Line Transformation \(RLT\) Program](#). Read below for more details

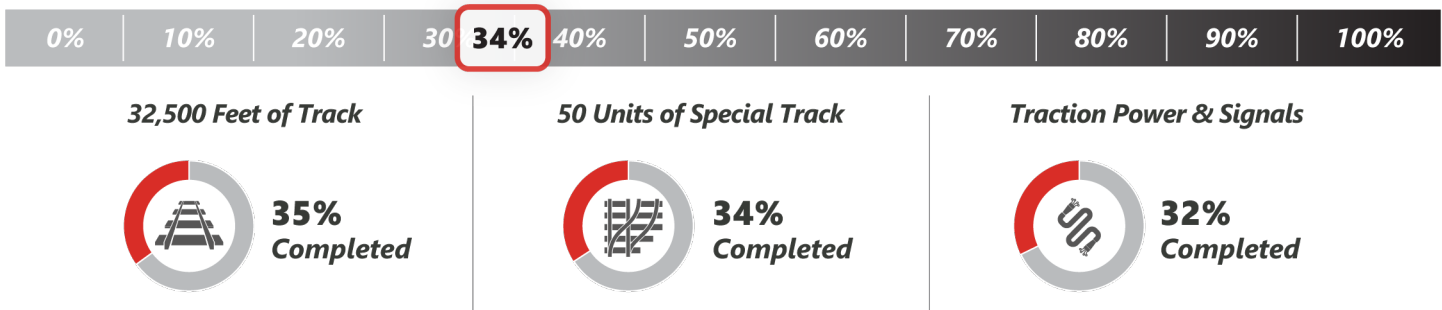

### Signal Upgrade

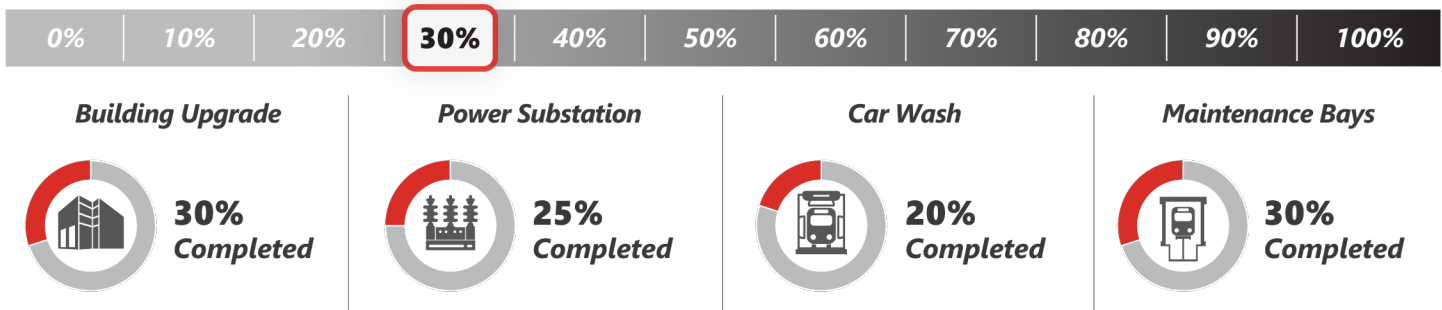

[Signal Upgrade](#): Increasing capacity, through reducing headways with modernized signals.

- ✓ **This Week** | Installed signal power equipment at Central; test pits at Ashmont Station area
- **Lookahead** | Running test trains in the Alewife-Harvard area in preparation for cutover to new signal system in March

# Cabot Yard and Maintenance Facility Updates

Cabot Yard: Upgrade the Yard to increase service capacity, replace outdated infrastructure, and enhance safety.

Cabot Maintenance Facility: Modernize the Vehicle Maintenance Facility to improve vehicle maintenance; reducing rider wait times, provide cleaner cars, and deliver safer operations
