

# Accessibility Monitoring: Temporary Job Opportunity

***Earn \$\$ while helping the MBTA become more accessible!***

The MBTA's Department of System-Wide Accessibility (SWA) is seeking monitors for its Internal Access Monitoring Program. These monitors will use MBTA buses, trains and ferries.

Monitoring will be conducted by a two-person team who will document their experience riding various transit modes. For each assignment, the monitoring team will be out in the field for 3 – 5 hours assessing and documenting the accessibility that was provided to them.

Candidates should have existing familiarity with MBTA fixed-route services and should be comfortable using the system.

These positions are temporary. People with disabilities are strongly encouraged to apply.

## **As a monitor, you will:**

- Earn \$15/hr
- Generally work 4-10 hours/week
- Exercise discretion & good judgment
- Be sensitive to the commuting needs of persons with disabilities
