

Green Line Transformation

Construction Project Updates

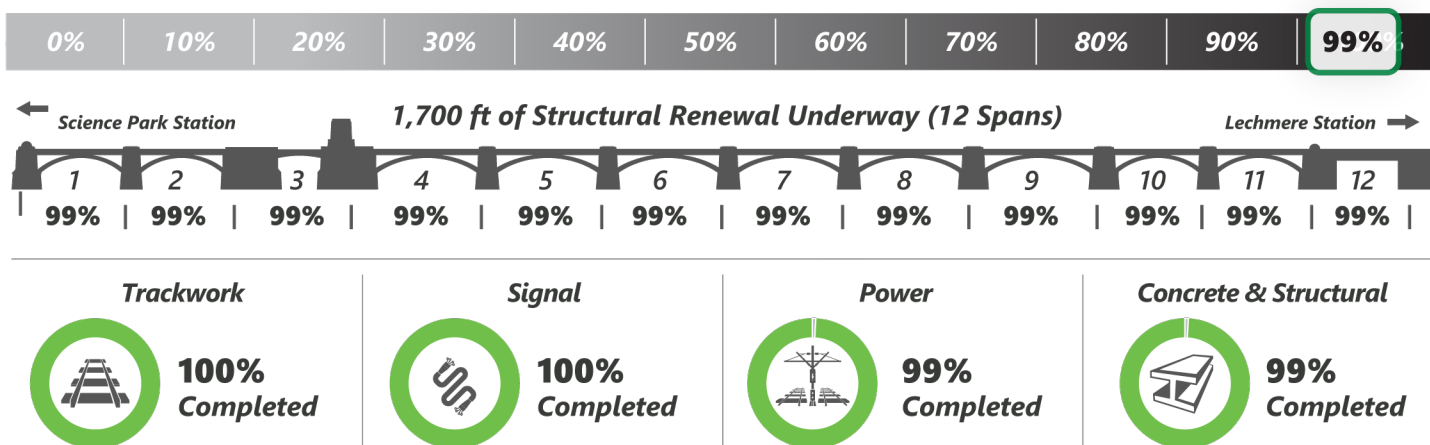

Week in Review and Lookahead

Friday, March 11, 2022

Final work activities are being completed for the [Lechmere Viaduct Rehabilitation Project](#) under the [Green Line Transformation \(GLT\) Program](#), and shuttles will run for the adjacent Government Center Garage demolition this weekend

Lechmere Viaduct Rehabilitation

[Lechmere Viaduct Rehabilitation](#): Strengthen and preserve the 110-year-old viaduct to sustain heavier loads & increased capacity

- ✓ **This Week** | Crews installed new wayfinding and maps, emergency communications, and performed touchups to Science Park in preparation for reopening
- **Lookahead** | Crews will continue addressing punch list items and enhancing accessible egress at Science Park
