Green Line Train Protection and Track Upgrades | Public Meeting: May 18, 2022

- **Lookahead** | The Green Line Transformation team is making final preparations for next week's [virtual public meeting](#). Please join us as we review the plans for construction this summer and fall on all four branches of the Green Line. We will upgrade approximately 2.5 miles of track, 10 vehicle grade crossings and pedestrian crosswalks, and 6 units of special trackwork, as well as install components of the [Green Line Train Protection System](#) which will result in safer, more reliable service for Green Line riders.
