Preparations continue for the Green Line Train Protection and Track Upgrades on the D Branch, which will take place during three nine-day closures in September and October.

Green Line Diversion: Union Square to Gov’t Center

✓ This Week | Workers continued making adjustments to the catenary power lines across the Lechmere Viaduct, that will eliminate a temporary 10 mph speed restriction, allowing trains to operate at the system’s designed speed of 25 mph

• Lookahead | Crews will complete adjustments to the Lechmere Viaduct catenary power lines. The GLT team will continue to prepare for train protection and track upgrades work on the D Branch beginning September 24
