The MBTA is upgrading the 120-year-old rapid transit Orange Line serving the communities of Malden, Medford, Somerville, and Boston.

When complete, this work will bring to Orange Line riders an improved overall quality of service, faster travel times, and better service reliability.

The Green Line Extension extends the Green Line from Lechmere in East Cambridge to Union Square in Somerville.

The T will perform final-phase construction work necessary to open the Medford Branch, which is now anticipated to open in fall 2022. The diversion is also necessary to allow for continued work by the private developer responsible for the demolition and redevelopment of Government Center Garage.

The MBTA is committed to working with the City of Boston and all our municipal partners to provide our riders with alternative travel options during upcoming service disruptions. The Rider’s Guide to Planning Ahead is a tool to provide you with options and information to inform your travel needs while the MBTA continues to Build a better T.
Current Closures

Service suspensions have been undertaken to accelerate projects to make the T better and more reliable for riders.

**Orange Line Closure**

- The Orange Line from Oak Grove to Forest Hills is now fully closed Friday, August 19, 2022, at 9:00 pm through Sunday, September 18.
- The closure will address a maintenance backlog and planned construction investments, all of which are focused on safety improvements and returning the system closer to a state of good repair. This extended full access closure will bring to Orange Line riders an improved overall quality of service, faster travel times, and increased service reliability.

**Green Line Closure (Union Sq. Branch)**

- From Monday, August 22, through Sunday, September 18, service will be suspended on the Green Line between Government Center and Union Square to allow the T to perform final-phase construction work necessary to open the Medford Branch, which is now anticipated to open in fall 2022. This diversion is also necessary to allow for continued work by the private developer responsible for the demolition and redevelopment of Government Center Garage.
Planning Ahead

**Supplemental Shuttle Service** - 5 am – 1 am | Connecting Government Center – Tufts Medical – Chinatown | Running every 30 minutes
**Shuttle Type**

- All shuttles will be accessible, and all are contractually obligated to meet USDOT accessibility standards.
- While some low-floor buses, with ramps at the front of the bus will be in use, the majority will be high-floor coach buses with wheelchair lifts near the rear of the bus.
- Note: upon request, accessible vans will be available for riders who prefer them for this reason.

**Accessible Vans**

- Approx. 20 wheelchair-accessible vans will be on hand to supplement alternative bus service.
- Vans will be combination of ramp-equipped and lift-equipped vehicles, and will be positioned at or nearby each Orange Line station. Again, any rider preferring to be transported via accessible van can request to do so.

**Accessibility policies**

- MBTA and Yankee employees are required to honor all reasonable requests for assistance, including providing sighted guide to/from shuttles and stations, finding a seat on a vehicle, requesting accessible vans, etc. Service animals are welcome on all shuttle buses and vans during all hours of operation.

**On-site Staff Assistance**

- Transit Ambassadors and other T personnel will be located outside each Orange Line station to assist riders.

**The RIDE**

- The RIDE continues to be available to anyone with a disability that prevents them from taking the fixed route. Due to the free shuttle bus service, RIDE trips that begin and end within ¾ mile of the Orange Line will be free for RIDE users during the 30-day shutdown.
- To schedule The RIDE, call 844-427-7433 (MA Relay 711). To learn more and/or apply for the service, please contact the Mobility Center at 617-337-2727 (MA Relay 711). Eligibility decisions take 1-3 weeks after completing the application, interview, and assessment process.

**Questions or need to report a problem?**

- To ask questions or report complaints about this diversion, or to request a reasonable accommodation, contact Customer Support Center by calling 617-222-3200 (MA Relay 711) or by submitting an online customer complaint form.
- If you have questions specific to any of the accessibility considerations mentioned in this e-mail, you can also contact the Department of System-Wide Accessibility directly at swa@mbta.com.

If your middle or high school participates in the Student Pass Program, students are eligible for either an M7 Card or an S-Card at the beginning of every school year, depending on your school.

- M7 Cards are preloaded with passes paid by schools for the entire school year.
- S-Cards need to be loaded with cash value or passes by students, parents, or guardians.

For additional information and details on the M7 and S-Cards, visit: mbta.com/studentcard

Are you a middle or high school administrator interested to learn about ordering cards and offering them to students? Visit mbta.com/pass-program/student
Most colleges and universities in Greater Boston offer their students discounted MBTA fares on Semester Passes. Students can use these unlimited passes all semester long to get to class, head to work, or catch up with friends.

- Students’ CharlieCard or CharlieTicket arrives loaded with the Semester Pass of their choice:
  - Semester LinkPass: Unlimited travel on subway and local bus
  - Semester Commuter Rail Pass: Unlimited travel on the Commuter Rail (up to the zone distance purchased), plus unlimited subway and local bus trips
  - Bus-only passes and ferry passes are also offered.
  - University Passes are also available, billed monthly for use throughout the entire year. Schools are billed for the rides students take.

For additional information on Semester and University Passes, visit: mbta.com/college
