

Please Join the Capital Transformation Team for the  
**Codman Yard Expansion and Improvements Project**  
**Pre-Construction Virtual Public Meeting (via Zoom)**

**Thursday, October 13, 2022 at 6:00 PM**

Please join the Capital Transformation team for an online pre-construction public meeting to discuss the **Codman Yard Expansion and Improvements project**. During this project, six additional storage tracks will be built to accommodate the new Red Line fleet. In addition, existing yard components will be replaced to improve service, reliability, and safety, reduce maintenance costs, and achieve a state of good repair.

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers.

- **Instructions on how to join and participate will be posted on the project website under 'Upcoming Events' ahead of the meeting: [mbta.com/CodmanYard](https://www.mbta.com/CodmanYard)**
- The presentation will be posted on the website ahead of the meeting. **A recording of the meeting will also be posted for those who are unable to attend.**

You can also email questions anytime to [RLT@MBTA.com](mailto:RLT@MBTA.com). To learn more about the Red Line Transformation program, please visit [www.mbta.com/RLT](https://www.mbta.com/RLT) and subscribe to our weekly email updates at [https://bit.ly/rlt\\_eblast](https://bit.ly/rlt_eblast).

**Accommodations:** These meetings are accessible to people with disabilities and those with limited English proficiency. Accessibility accommodations and language services will be provided free of charge, upon request, as available. Such services include documents in alternate formats, translated materials, assistive listening devices, and interpreters (including American Sign Language).

# Codman Yard Expansion and Improvements

## ***Project Overview***

The improvements made at Codman Yard will allow operators to move trains throughout the yard more efficiently and create additional vehicle storage for the future expanded Red Line fleet.

## ***Benefits***

- ✓ **Increased Capacity:** expanding the yard by six tracks will create additional space to accommodate the future Red Line fleet.
- ✓ **Improved Reliability:** replacing yard components will improve safety, service, and reliability, reduce maintenance costs, and achieve a state of good repair.
- ✓ **Less Noise Generated:** replacing track and ballasts and installing rail lubricators will minimize noise as trains move throughout the yard.
- ✓ **Upgraded Safety:** Upgrading the lighting at Codman will allow better distribution throughout the yard and reduce light spillover into adjacent residential neighborhoods.

The mission of **Capital Transformation** is to see strategic capital investments improve the quality of service for the MBTA's riders and neighboring communities, with the realization that transformative methods drive transformative outcomes.
