

Week in Review and Lookahead

Friday, April 14, 2023

Monday, April 17 will mark the 127th Boston Marathon. To learn about service changes planned for Monday, read the [MBTA's Boston Marathon Guide](#). Work is also continuing on rail and tie replacement on the Red Line, check the [alerts page](#) to stay up to date on service changes during the work planned for April 18 – 20, 22 – 23, and 29 – 30

Signal Upgrades

Signal Upgrades: Improve safety and reliability with modernized signals

- ✓ **This Week** | At Quincy Center, crews continued with the installation of new signal racks, wires, and cables. At Quincy Adams, crews performed bond sweep tests. At Harvard, crews demolished old equipment and legacy wires in the signal room. At Downtown Crossing, crews conducted post-cutover inspections
- **Lookahead** | Crews will continue testing and installing electrical components in preparation of cutovers and diversions

Codman Yard Expansion and Improvements

[Codman Yard Expansion and Improvements](#): Upgrade the yard to increase service capacity, replace outdated infrastructure, and enhance safety

- ✓ **This Week** | Crews continued with installation of the MBTA work trailer interior, and separation of excavated stockpiled material from unwanted components
- **Lookahead** | Crews will continue excavating and sorting the material stockpile where the new storage tracks will be installed
