

## Week in Review and Lookahead

### Friday, April 28, 2023

This week, construction work began for the relocation of utilities around the Massachusetts Ave and Huntington Ave intersection. This work will allow for [accessibility upgrades to Symphony Station](#) planned to begin next year. This work will require lane closures but will not impact Green Line service

## Symphony Station Accessibility Improvements

- ✓ **This Week** | Contractors began sawcutting pavement and installing a new ductbank on the northbound side of Massachusetts Ave
- **Lookahead** | Installation of new ductbank along the northbound side of Massachusetts Ave will continue through May
