Utility relocation work for the Symphony Station Accessibility Improvements project continued this week, and other Green Line projects in design continued to progress.

**Symphony Station Accessibility Improvements**

- **This Week** | Crews excavated an area on the northbound side of Massachusetts Ave and began installation of a new ductbank for Eversource
- **Lookahead** | Work on Massachusetts Ave northbound adjacent to Horticultural Hall will continue

*Schedule subject to change with weather conditions and in accordance with public health directives. Project percentages represent the value of the installed work.*
