

Week in Review and Lookahead

Friday, June 30, 2023

Thank you to everyone who attended our **B Branch Track Upgrades** open house this week! The GLT team was happy to have the chance to discuss these important upgrades with riders and members of the community.

Work will continue on upgrades around the MBTA system during July, which will require service changes on **the Green, Red, and Orange Lines**. The work to be completed will result in safer, more reliable service for our riders.

Symphony Station Accessibility Improvements

Excavation and Ductbank Installation

Utility Relocation

- ✓ **This Week** | Crews excavated a ductbank for telephone conduit and removed old trolley tracks that were encountered during construction
- **Lookahead** | Work on the telephone ductbank will continue

**Schedule subject to change with weather conditions and in accordance with public health directives
Project percentages represent the value of the installed work*
