Week in Review and Lookahead
Friday, August 18, 2023

This week, work continued on utility relocation for the Symphony Station Accessibility Improvements project.

Symphony Station Accessibility Improvements:
Work to relocate utilities around Symphony Station in advance of work on accessibility upgrades

This Week | Crews excavated for the cable TV duct bank and manhole, and began placing concrete on a portion of the duct banks for cable TV and telephone (communications) conduit. Contractors connected the new 12” gas line to the existing gas line

Lookahead | Work on communications duct banks will continue
