

Week in Review and Lookahead

Friday, October 6, 2023

This week, crews worked to upgrade Codman and Cabot Yards, and preparations continued for the upcoming surge on the Ashmont branch of the Red Line and the Mattapan Line. Shuttle buses will replace Red Line service between Broadway and Ashmont & Broadway and North Quincy this weekend, October 7 - 8, to allow for bridge work, tunnel inspections, and station maintenance. Check the [alerts page](#) to stay up to date on changes to Red Line service.

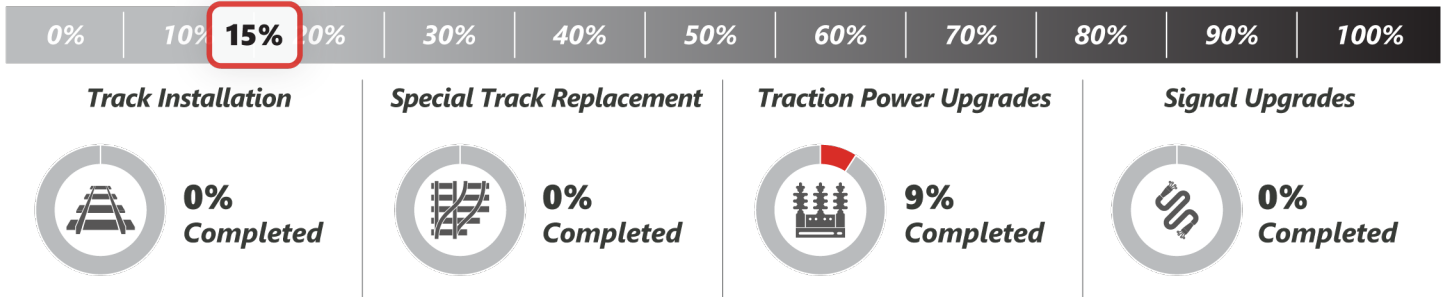

Signal Upgrades

Signal Upgrades: Increase safety and reliability with modernized signals

- ✓ **This Week** | Last weekend, crews installed a new signal bungalow at Columbia Junction. There was no work scheduled during the week
- **Lookahead** | Signal components and materials will be delivered, installed, and tested during the upcoming weekend diversions on the Red Line

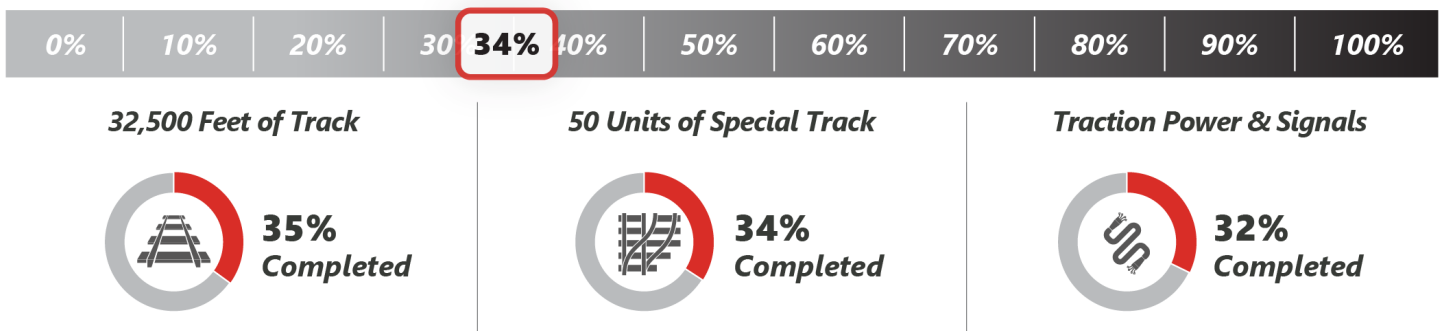

Codman Yard Expansion and Improvements

Codman Yard Expansion and Improvements: Upgrade the yard to increase service capacity, replace outdated infrastructure, and enhance safety

- ✓ **This Week** | Crews excavated trenches, installed formwork and reinforcing steel, poured concrete, backfilled new duct banks, and prepared the southern end of the Gallivan Blvd bridge for borings
- **Lookahead** | Crews will continue installing duct banks and boring for the new utility bridge pilings

Cabot Yard and Maintenance Facility Updates

Cabot Yard: Upgrade Cabot Yard to increase service capacity, replace outdated infrastructure, and enhance safety.

- ✓ **This Week** | Crews prepared for the installation of the new duct bank, and worked on submittals and deliverables
- **Lookahead** | The excavation and installation of duct banks will be ongoing for the next few weeks

*Schedule subject to change with weather conditions and in accordance with public health directives
Project percentages represent the value of the installed work
