Commuter Rail Safety Updates

Timothy P. Lesniak – Chief Safety Officer

October 12, 2023

MBTA Safety Discussion Topics

- Commuter Rail Grade Crossing Improvement
- Rail Safety Week Events

Railroad Crossing Safety Improvements

- MBTA has installed reflective bollards and pavement striping marking the edges of roadways at all 276 crossings on the system over the last several months.
- In the process of upgrading to LED flashers where needed
- Improvements will be added to South Coast Rail
