

Green Line Transformation

A Capital Transformation Program

Green Line Transformation Program Update, Friday, October 20

Under the [Green Line Transformation](#) (GLT) program, progress continues on the [Symphony Station Accessibility Improvements](#).

Excavation of the steam line at Symphony Hall

Did you know...

... that the winning color scheme for Green Line Type 10 cars was [recently announced](#)? More than 16,300 responses were received to the MBTA's survey with the winning design receiving 9,566 votes.

GLT Improvements Continue Across the Green Line

- **Symphony Station Accessibility Improvements**

Work to relocate utilities around Symphony Station in advance of accessibility upgrades. At [Symphony Station](#), ongoing work on excavation for Eversource duct bank and a 10" steam line near Symphony Hall will continue in the coming weeks. More details can be found on the [project website](#).

To report a construction-related issue on the Symphony Station project, call the hotline at [857-202-0831](tel:857-202-0831). It will be answered during construction hours Monday-Friday (except holidays). All voicemails left outside of construction hours will be addressed on the following weekday shift.

Adjacent Projects

We also want you to be aware of adjacent projects. While the GLT team does not directly oversee these projects, we coordinate closely with the teams leading them. For the latest

information about service changes, please visit the [Green Line Alerts page](#), [sign up for T-Alerts](#), and follow the [MBTA on Twitter](#).

- **Green Line Extension Maintenance**

While the GLT team isn't a part of the Green Line Extension construction or maintenance, we encourage riders to follow the [MBTA on Twitter](#) and check the [project website](#) for updates on the work being performed.

Please note the schedule for these major infrastructure projects is dependent on weather and subject to change without notice.

For More Information

For more information on speed restrictions, visit the online [Speed Restriction Dashboard](#) that provides riders with up-to-date information on speed restrictions across the MBTA system.
