

# **Green Line Transformation**

## **A Capital Transformation Program**

### **Green Line Transformation Program Update, Friday, October 27**

Under the [Green Line Transformation](#) (GLT) program, progress continues on the [Symphony Station Accessibility Improvements](#). Continue reading for more information.

*Eversource duct bank construction on Huntington Ave*

#### ***Did you know...***

*... that for Haunted Happenings there will be 10 more inbound trains from Salem to North Station, with at least 10 trains after 6 PM? Learn more in the [press release here](#).*

### **GLT Improvements Continue Across the Green Line**

- **Symphony Station Accessibility Improvements**

Work is ongoing to relocate utilities around Symphony Station in advance of accessibility upgrades. At [Symphony Station](#), crews are continuing to work on the Eversource electrical duct bank on Huntington Ave and on the steam line near Symphony Hall, including excavation, demolition of the old line, and installation of the new line. Work has accommodated performances of the Boston Symphony Orchestra. More details can be found on the [project website](#).

To report a construction-related issue on the Symphony Station project, call the hotline at [857-202-0831](tel:857-202-0831). Calls will be answered during construction hours Monday-Friday (except holidays). All voicemails left outside of construction hours will be addressed on the following weekday shift.

### **Adjacent Projects**

We also want you to be aware of adjacent projects. While the GLT team does not directly oversee these projects, we coordinate closely with the teams leading them. For the latest information about service changes, please visit the [Green Line Alerts page](#), [sign up for T-Alerts](#), and follow the [MBTA on Twitter](#).

*Please note the schedule for these major infrastructure projects is dependent on weather and subject to change without notice.*

## **For More Information**

For more information on speed restrictions, visit the online [Speed Restriction Dashboard](#) that provides riders with up-to-date information on speed restrictions across the MBTA system.

Visit [www.MBTA.com/GLT](http://www.MBTA.com/GLT) to see the numerous projects that GLT is carrying out to improve your experience riding the Green Line. To stay informed of service changes, sign up at [www.MBTA.com/alerts](http://www.MBTA.com/alerts).

If you have any questions, please email [GLT@mbta.com](mailto:GLT@mbta.com).
