Why we're doing the work

The MBTA is currently undertaking an ambitious Track Improvement Plan (TIP) to remove 191 speed restrictions across the system. This 16-day Red Line closure will allow employees access to address 7 restrictions in the corridor. Activities include full depth track reconstruction, repairing broken rail bolts and replacing ties, gravel fill and electrical equipment.

The MBTA will take advantage of the closure by performing additional work at each of the impacted stations, including lighting repairs, painting and deep cleaning.

Onsite Navigation and Assistance

Onsite signage will include

- In station communications: digital screens, PA announcements, posted advisories
- Highly-visible posters will mark all shuttle bus boarding areas at each stop throughout the 16-day closure for riders

Transit Ambassadors will also be available to assist riders

 We are increasing Transit Ambassador staffing along the shuttle route for the duration of the closure to assist customers

Accessible Travel Information

Key information for riders who depend on the accessibility of our service

Shuttle Type

- All shuttle stops and vehicles will be accessible to riders with disabilities.
 All buses and vans are contractually obligated to meet U.S. Department of Transportation accessibility requirements.
- While some low-floor buses with ramps at the front of the bus will be in use, during weekday peak periods the majority will be high-floor coach buses with wheelchair lifts near the rear of the bus.
- Accessible vans will also be available. To request the use of the van, riders can ask any MBTA personnel or use an MBTA station call box.

Accessibility policies

- All MBTA and Yankee employees are required to honor all reasonable requests for assistance, including providing information or directions, providing sighted guide to/from shuttles and stations, finding a seat on a vehicle, deploying a shuttle bus ramp or lift for an ambulatory rider, etc.
- Shuttle bus operators are required to clearly and loudly announce every station stop along each route.
- Service animals are welcome on all shuttle buses during all hours of operation.
- Any rider may request the use of an accessible van without question. Riders
 with disabilities may never be pressured or forced to use an accessible
 van instead of an accessible shuttle bus.

On-site Staff Assistance

 Transit Ambassadors and other T personnel will be at stations to assist riders.
