

Winchester Center Station Accessibility Improvements Work and Traffic Advisory, February 2025

What to Expect

- Steel beam, platform, guardrail, and light pole installation at the Winchester Station Quill Rotary bridge.

Where

- At the rail bridge along the south side of the Quill Rotary, and on Laraway Road.

Dates and Work Hours

- This work is scheduled to take place Tuesday, February 18 - Thursday, February 20, 2025.
Work hours are 7am – 5pm.
- This schedule is subject to change in the event of inclement weather.

Changes To Traffic

- While work is taking place, the following closures and detours are anticipated:
 - The southern section of the rotary will be closed between Church Street and Main Street.
 - Laraway Road will be closed between the Quill Rotary and Waterfield Road.
 - Traffic will be detoured via Church Street, Bacon Street, Mystic Valley Parkway, and Skillings Road.

Winchester Center Station is receiving a complete renovation that will include structural repairs to improve safety, accessibility, and station capacity. The south half of the newly renovated Winchester Center Station is open for use of Inbound and Outbound Commuter Rail service.
