South Coast Rail Noise Mitigation Program Open House Series Begins April 16

The MBTA's Environmental Department is hosting three Open Houses to provide information about the Noise Mitigation program for South Coast Rail. Information will be available for all SCR communities. You can attend the most convenient event to learn more about the invitation and forms you received to participate. The MBTA's goal is to provide information and answer questions for eligible properties. Homeowners can bring their applications and related materials and any questions they have.

Fall River and Assonet Open House Thursday, April 16, 6-8 pm

Morton Middle School, 1135 N Main St.,
Fall River, MA 02720

There is parking on Main St. and Morton St. The school's rear door is closest to the Open House location.

Taunton, Berkley and Lakeville Thursday, April 30, 6-8 pm

Taunton City Hall, City Council Chambers,
15 Summer St., Taunton

There is parking behind City Hall.

New Bedford and East Freetown Saturday, May 2, 11-1 pm

New Bedford Free Public Library, 613 Pleasant St.,
City Hall Square, New Bedford,

There is metered parking in the area.
