MBTA Centralized Train Control Procurement

The Massachusetts Bay Transportation Authority (MBTA) has publish a Request for Proposals for a Centralized Train Control (CTC) system for its rail transit operations.

The RFP objective is to identify and select a commercial, largely off-the-shelf replacement to modernize its current system. Implementation will start later this calendar year. The RFP outlines overall objectives and requirements in more detail.

Deadlines & How to Respond

The RFP will be posted on COMMBUYS by 5:00 p.m. on August 21 at this URL:

> https://www.commbuys.com/bso/bid/bidSummary.sda?docId=BD-27-1206-40000-40000-132719&mode=initial

Alternately, interested parties may locate the RFP by searching for the Bid ID which is **BD-27-1206-40000-40000-132719**

Responses to the RFP are due on September 9, 2026 at 2:00 p.m.
