

CMS Form 6 – Certificate for Substantial Completion

CERTIFICATE FOR SUBSTANTIAL COMPLETION

Exhibit 6.12

MBTA CONTRACT NO. _____ TITLE _____
LOCATION _____

AUTHORITY: *MBTA General Conditions, Section 00700, Article 3.11*

TO: Contractor _____

Pursuant to the authority noted above, you are notified that the Massachusetts Bay Transportation Authority is satisfied that the portion of the above noted project, as hereinafter enumerated, is substantially completed. (Identify portions to be substantially accepted.)

The Massachusetts Bay Transportation Authority, through its undersigned representatives, here accepts from the Contractor, subject to Contract Stipulations, said portion of the project effective as of midnight _____ . The Contractor is relieved of responsibility for performing further work or supplying further materials, equipment or items, except that which is described on the attached list. Attached herewith is a complete list of all incomplete or unsatisfactory items of contract work.

The use of any portion of the project or the occupancy of any facility or portion thereof by the Massachusetts Bay Transportation Authority shall not be construed as an acceptance of the work not performed in accordance with the contract nor relieve the contractor of liability to perform any work required by the Contractor of required by the Contractor of liabilities with respect to any warranties or guaranties required by the contract.

The undersigned recommend the issuance of this Certificate for Substantial Completion:
