

**CMS Form 7 – Notification – Opening Portions of Contract
for Operations**

MASSACHUSETTS BAY TRANSPORTATION AUTHORITY

NOTIFICATION - OPENING PORTIONS OF CONTRACT FOR OPERATION

Exhibit 6.1

MBTA CONTRACT NO. _____ TITLE _____

LOCATION _____

AUTHORITY: *Division I General Requirements and Covenants, Subsection 5.20*

TO: Contractor _____
Pursuant to the authority noted above, you are notified that the Massachusetts Bay Transportation Authority is satisfied that the portion of the above noted project, as hereinafter enumerated, is ready

for use occupancy. (Identify portions to be used and/or occupied):

The Massachusetts Bay Transportation Authority, through its undersigned representatives, here from the Contractor, subject to contract stipulations, said portion of the project effective as of midnight _____. The Contractor is relieved of responsibility for performing further work or supplying further materials, equipment or items except that which is described on the attached list. Attached herewith is a complete list of all incomplete or, unsatisfactory items of contract work.
The use of any portion of the project or the occupancy of any facility or portion thereof by the

Massachusetts Bay Transportation Authority should not be construed as an acceptance of the work not performed in accordance with the Contract, nor relieve the Contractor of liability to perform work required by the Contractor, of liabilities with respect to any warranties or guaranties required by the contract.

The undersigned recommend the issuance of the Notification - Opening Portions of Contract for Operation: Signature
