

Fare Process so far

December: Staff developed four options and CTPS conducted equity analyses

January: FCMB voted for two options to advance to public comment

Late January - February: Public Comment process – 10 meetings and online solicitation of comments

Staff categorized comments and summarized in document released
Friday, February 19

Based on public comments, staff are considering possible mitigation options which address areas of major public concern and retain most of the revenue increases in Options 1 and 2
