## Modernization: MBTA introducing a new mobile website for customers

- **Current version of both desktop and mobile sites launched in 2007**
  - 60% of MBTA.com users now on mobile
- **Beta has been released gradually over last several months**
  - Accessible to all riders
  - Live schedules & integrated real-time data
  - Iterative – rider feedback has and will continue to shape development
- **TODAY: riders on mobile devices will be redirected to t.mbta.com**
