Route SL3

Chelsea Station - South Station via Airport Station

Route Overview

Route SL3 is a Silver Line route operating between Chelsea Station and South Station, making nine total stops. Route SL3 began operation on April 21st, 2018. It runs through Chelsea on the Silver Line's dedicated busway until the intersection of Eastern Avenue, Central Avenue, Marginal Street, and Chelsea Street and rejoins general vehicle traffic to cross the drawbridge into East Boston (see Figure 1). In East Boston, Route SL3 buses operate on Martin A. Coughlin Bypass Road and Service Road to the Ted Williams Tunnel and into the Silver Line Tunnel.
