

Making your way during Franklin Line weekend construction

April 7 – May 27, 2018

There will be **no weekend train service between Forge Park/495 and Readville Station** while we install equipment for Positive Train Control (PTC), a federally-mandated safety control system that reduces train speeds when needed and helps to avoid collisions.

- **Bus shuttles travel between Forge Park/495 and Readville Station.**
- **Shuttles follow the Franklin commuter schedule, making all station stops (except Plimptonville) along the way.**
- **At Readville Station, shuttles connect to the Franklin Line train, making all stops (except Hyde Park) between Readville and South Station.**

Visit **MBTA.com/franklin** for more info.
